

# Function + Flow

**ShawContract®**

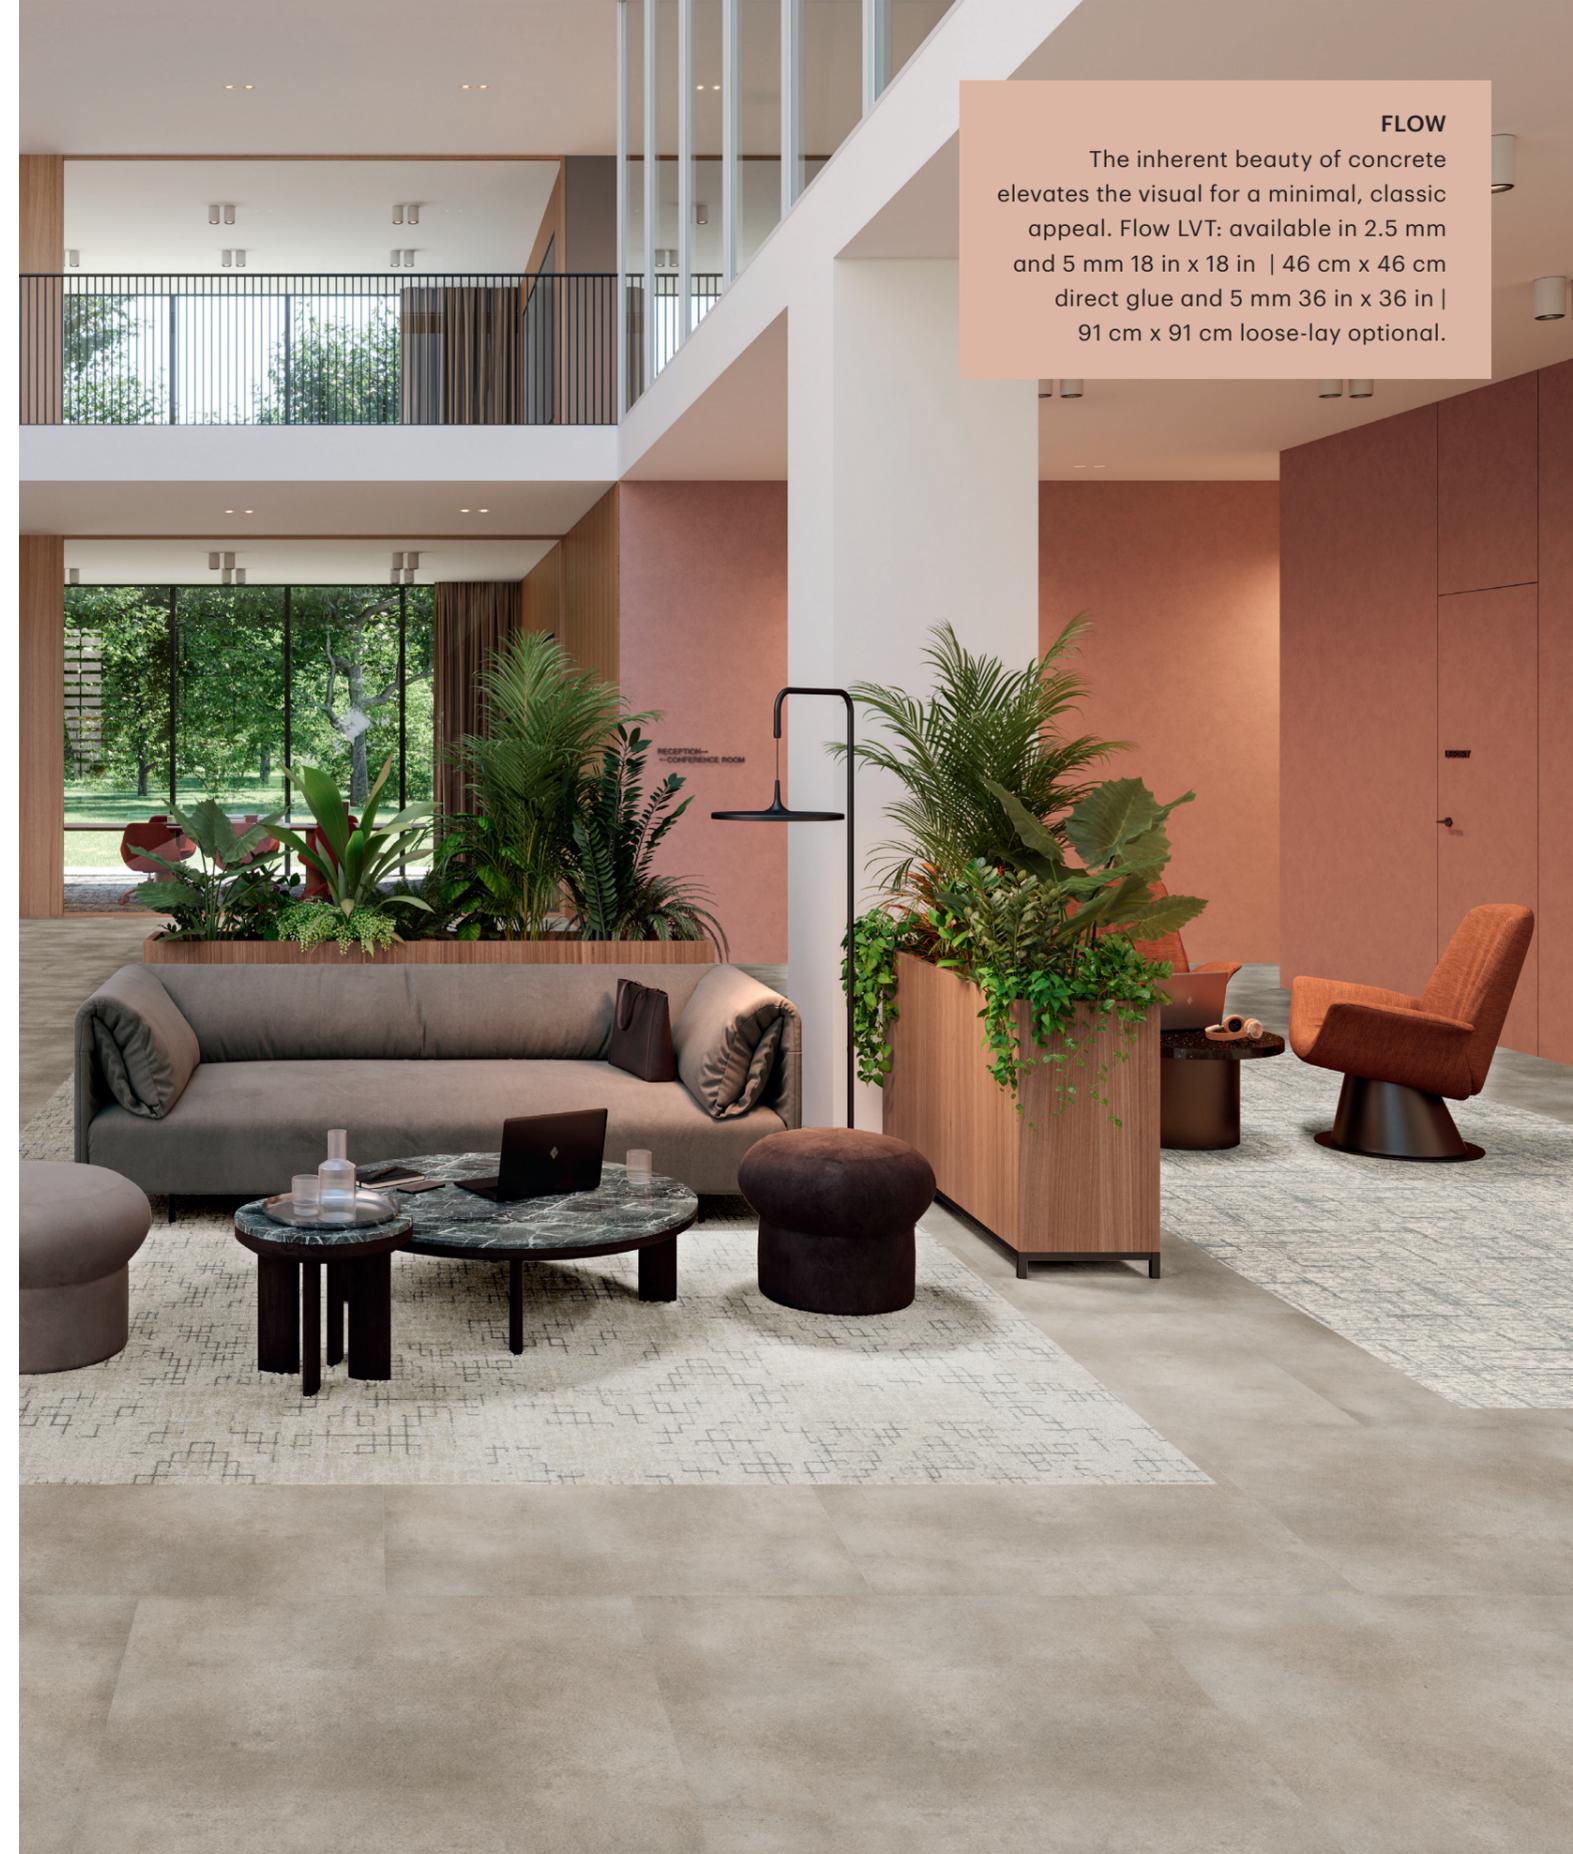

## A Core Aesthetic of Sophistication

Beyond the boundaries of location and trends, classic styles inspire confidence with their timeless aesthetic. The **Function + Flow LVT** collection works in harmony as a foundation in any space. Warm to cool neutrals, combined with modern stone and concrete visuals, balance the simple and complex with their timeless aesthetic.

Available in multiple thicknesses and sizes, both styles can energize, complement, or define a space. Function + Flow have a layered construction engineered for enhanced durability in high-demand environments. Both styles feature our maintenance friendly ExoGuard+ finish with more resistance to abrasion, staining, and improved cleanability.

COVER: **FUNCTION 5 MM 18 IN X 18 IN (LVT 4388V)** IN TRANSITION (86501) | INSTALLED ASHLAR

### FLOW

The inherent beauty of concrete elevates the visual for a minimal, classic appeal. Flow LVT: available in 2.5 mm and 5 mm 18 in x 18 in | 46 cm x 46 cm direct glue and 5 mm 36 in x 36 in | 91 cm x 91 cm loose-lay optional.

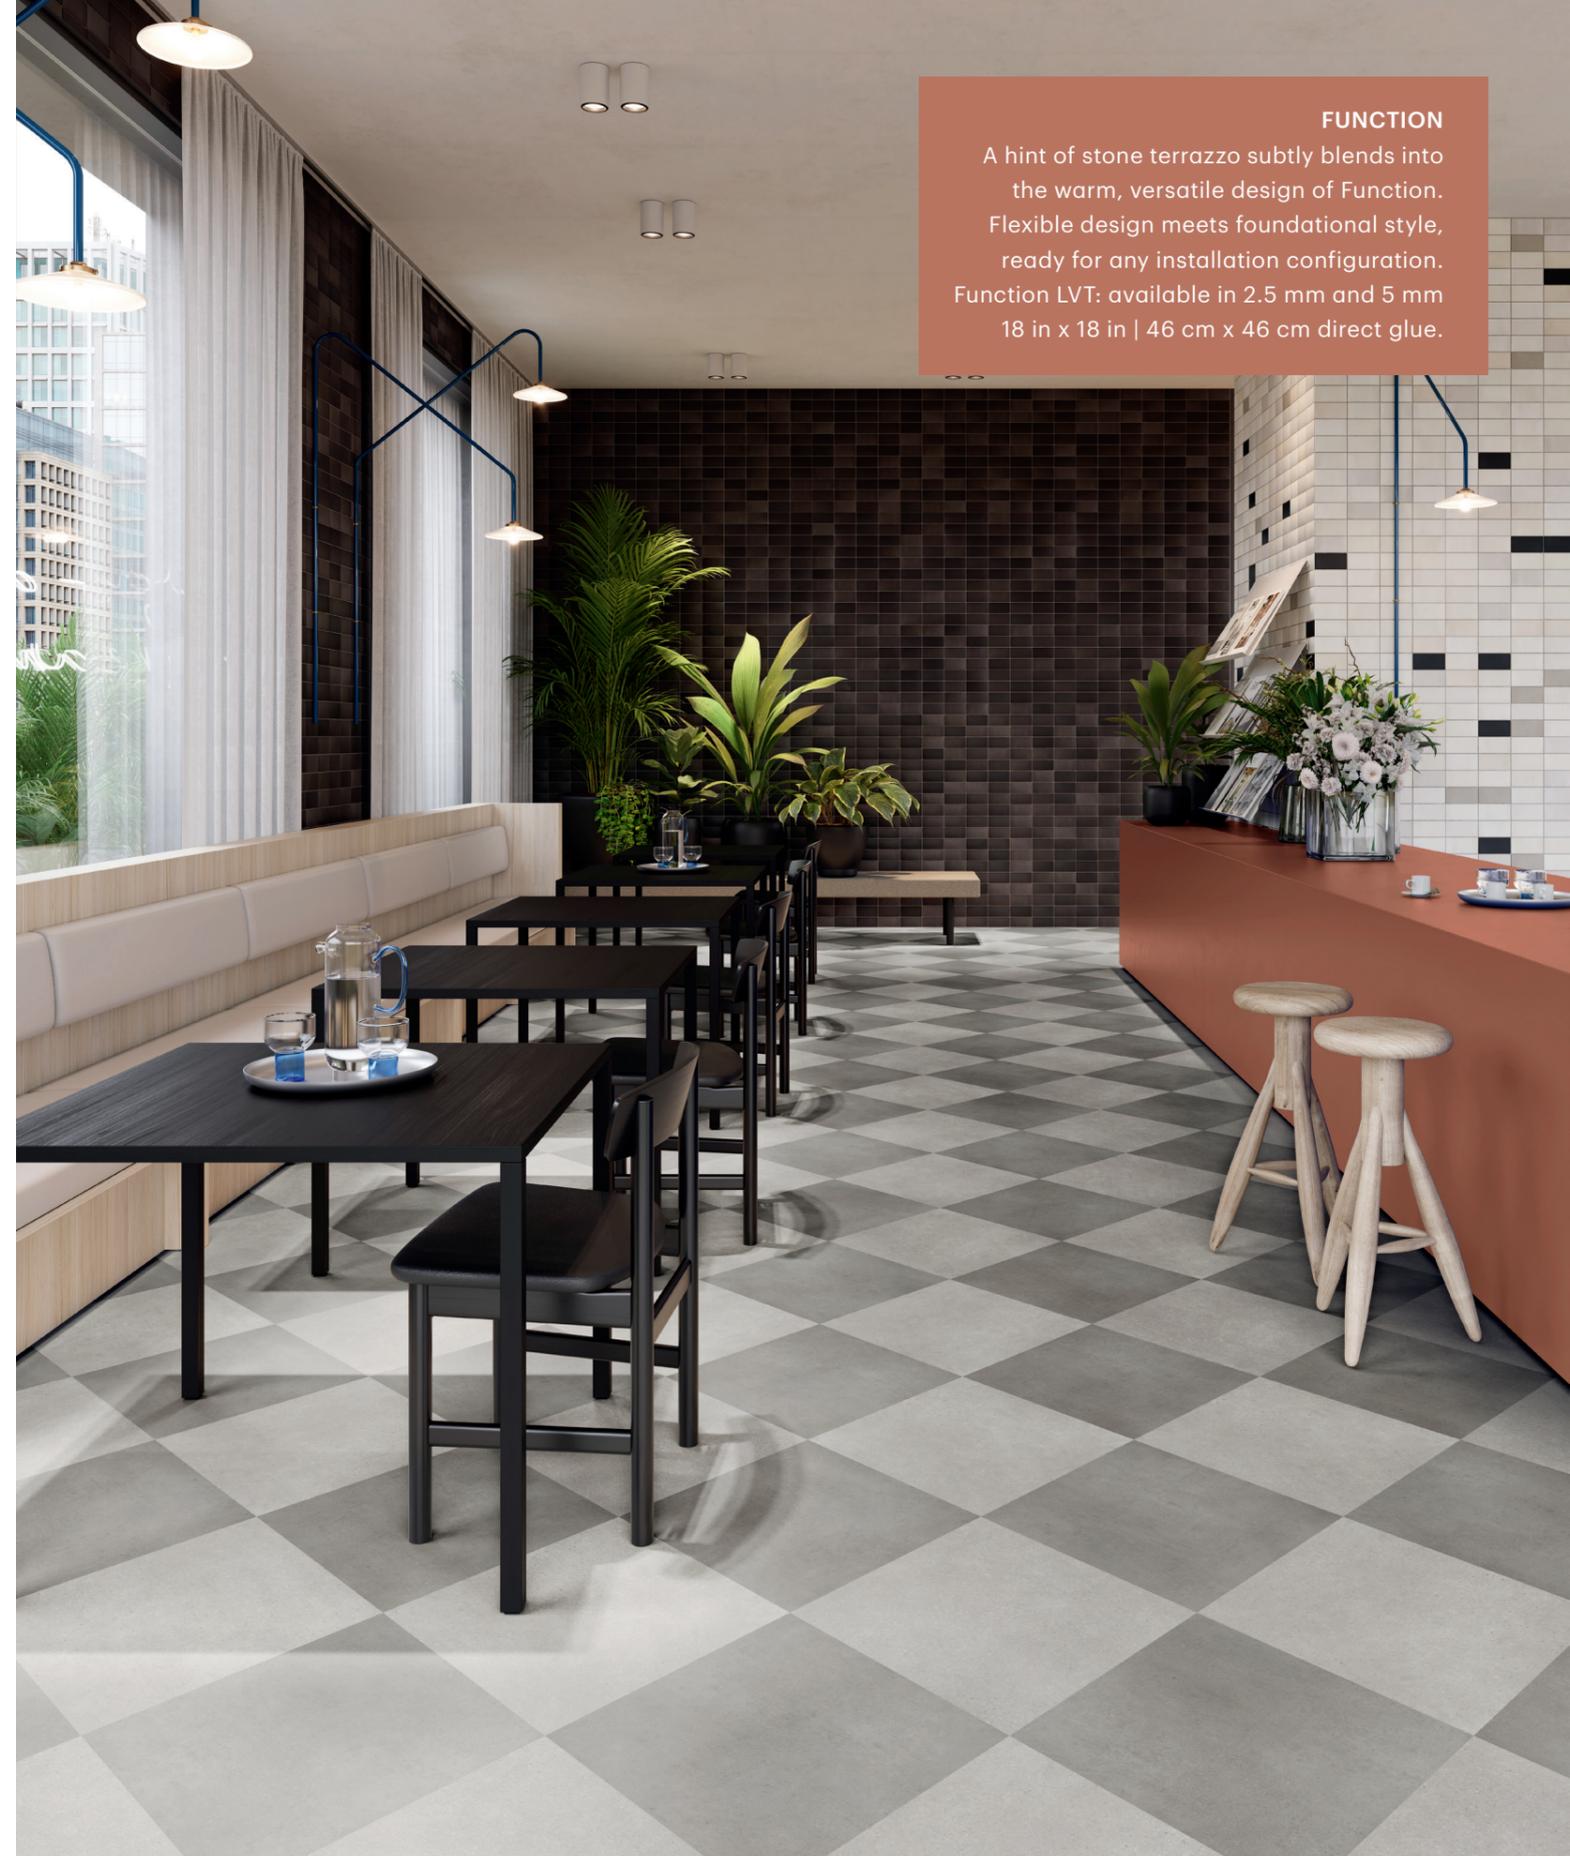

**FLOW 5MM 36 IN X 36 IN (LVT 4419V)** IN DENSE (85504) | INSTALLED BRICK AND STONWORK (**CARPET TILE 5T484**) IN MARBLE (84100) AND ZEST TILE (**CARPET TILE 5T487**) IN FLAIR (87100) | INSTALLED MONOLITHIC

# Natural Minimalism

Soothing stone visuals in a range of warm neutrals to cool tones provide design flexibility and the utmost performance for the spaces where we gather, learn, collaborate, rest, and recharge.

FLOW 5 MM 18 IN X 18 IN (LVT 4387V) IN DENSE (85504) | INSTALLED ASHLAR

## FUNCTION

A hint of stone terrazzo subtly blends into the warm, versatile design of Function. Flexible design meets foundational style, ready for any installation configuration. Function LVT: available in 2.5 mm and 5 mm 18 in x 18 in | 46 cm x 46 cm direct glue.

FUNCTION 5 MM 18 IN X 18 IN (LVT 4388V) IN TRANSITION (86501) AND FLOW 5 MM 18 IN X 18 IN (LVT 4387V) IN STREAMLINE (85520) | INSTALLED CUSTOM MONOLITHIC

## Seamless Design, Effortless Functionality

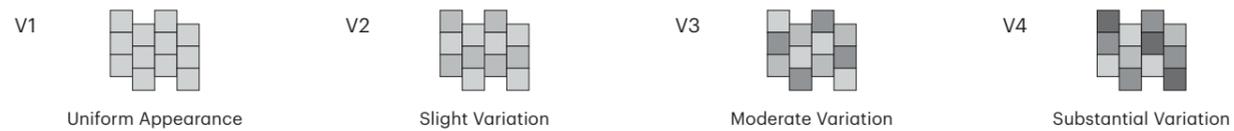

Two timeless visuals; two thickness options. Available in 2.5 mm and 5 mm thickness, *Function + Flow* provides endless opportunities for **no transition** installations with both StrataWorx® and EcoWorx® carpet tile options. Open unlimited possibilities through texture, pattern, and materiality with *Function + Flow* as the design foundation.

FUNCTION 2.5 MM 18 IN X 18 IN (LVT 4386V) IN PEBBLE (86504) | INSTALLED BRICK AND UPBEAT (CARPET TILE 5T490) IN GRATEFUL (90518) | INSTALLED MONOLITHIC

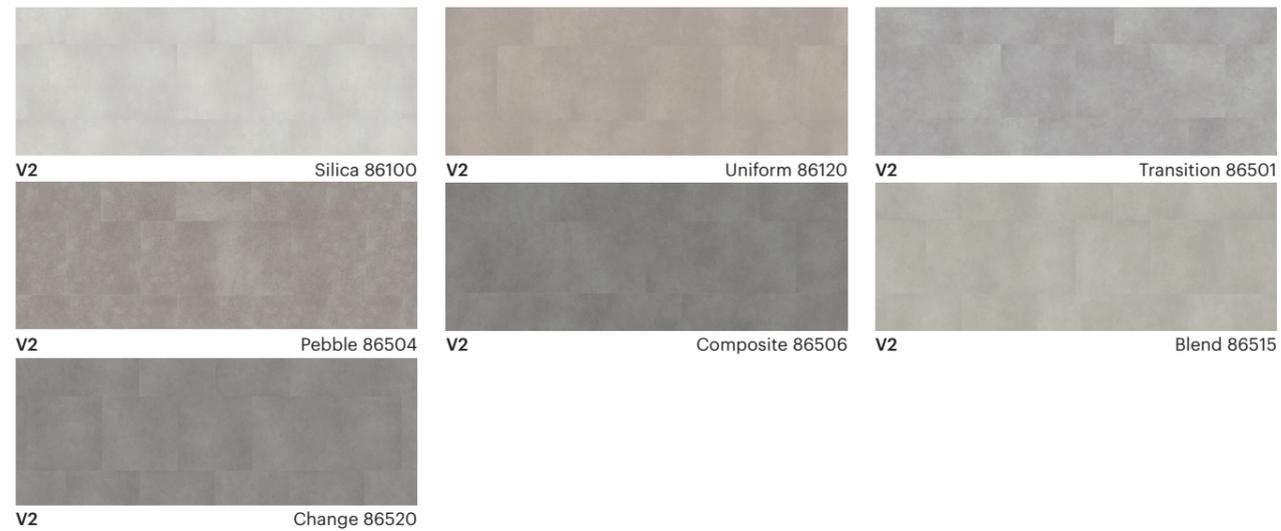

## Color and Visual Variation Index

Shade and texture variation is inherent in all resilient products and can vary significantly from piece to piece. Samples should be used to assess color.

### Function 2.5 mm 4386V and Function 5.0 mm 4388V

### 18 in x 18 in | 46 cm x 46 cm

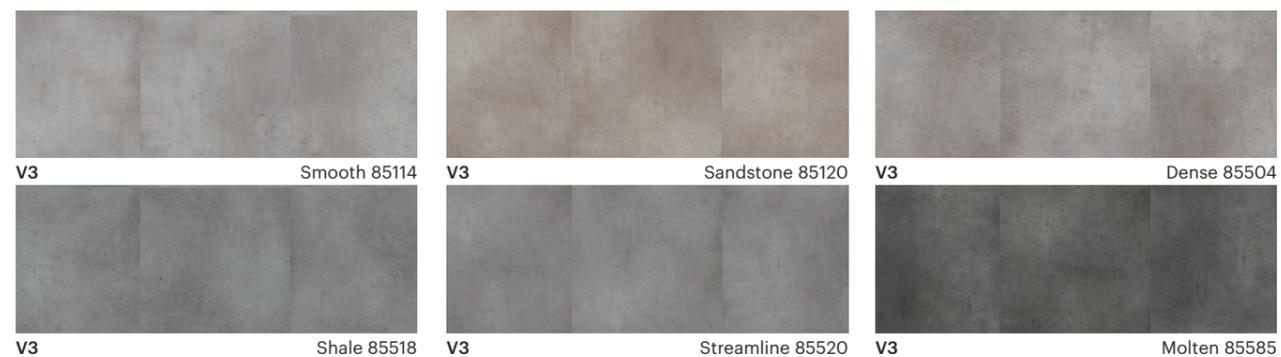

### Flow 2.5 mm 4385V and Flow 5.0 mm 4387V

### 18 in x 18 in | 46 cm x 46 cm

### Flow 5.0 mm 4419V\*

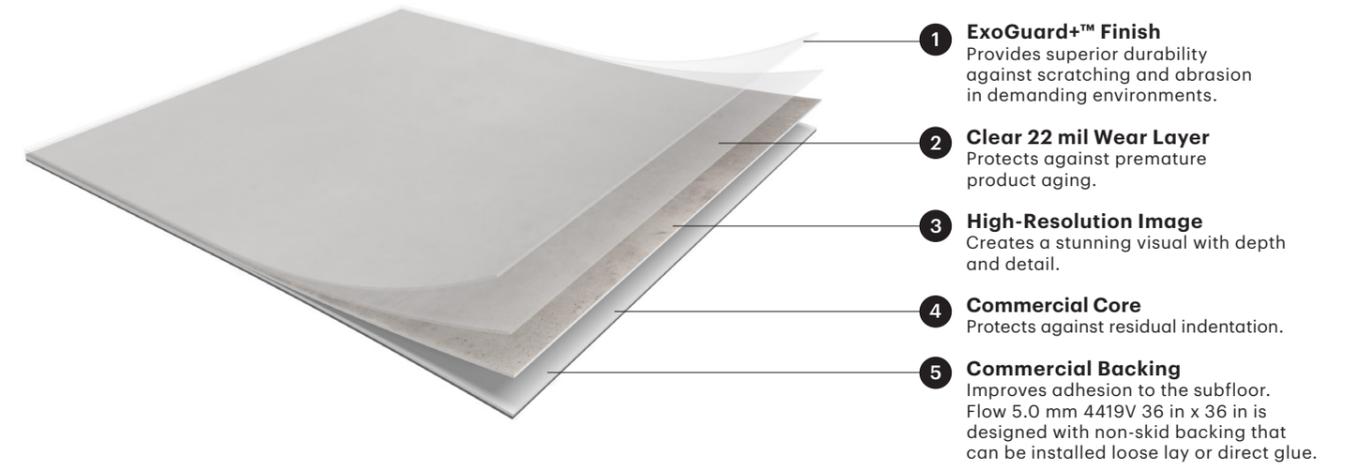

### 36 in x 36 in | 91 cm x 91 cm

\*Flow 5.0 mm 4419V 36 in x 36 available as loose-lay optional

## Function + Flow

Function + Flow have a layered construction engineered for enhanced durability in high-demand environments. Both styles feature our maintenance friendly **ExoGuard+** finish with more resistance to abrasion, staining, and improved cleanability.

#### Superior Durability

ExoGuard+™ advanced topical finish technology delivers the highest performance scratch resistance and resists UV light degradation, hand sanitizers, disinfectants, and common stains.

#### Direct Glue or Loose Lay

The dual-purpose backing construction allows for direct glue or loose-lay installation (Flow 5.0 mm 36 in x 36 in) for more flexibility to support the needs of the space.

#### Polish-Optional Reduces Cost

ExoGuard+™ is a highly durable finish that can be installed as is to reduce the cost of annual maintenance. If a polished look is desired, it requires no coating prep work.

#### No Transition Needed

5 mm LVT can be installed next to most carpet tiles without the need for transition strips. 2.5 mm LVT pairs well with StrataWorx® carpet tile with no transitions.

#### Performs with Static and Rolling Loads

When direct glued, the high PSI tolerance of the product enhances resistance to indentation.

#### Improved Acoustics

Function + Flow 5mm LVT softens in-room foot fall and reduces floor-to-floor impact sound transfer.

### Full Spread Adhesive Recommended Applications

Function 2.5 mm 4386V and Function 5.0 mm 4388V 18 in x 18 in | 46 cm x 46 cm  
 Flow 2.5 mm 4385V + Flow 5.0 mm 4387V | 18 in x 18 in | 46 cm x 46 cm

#### Ideal for Heavy Commercial Environments

Education | Healthcare | Hospitality | Retail | Workplace

	Light	Moderate	Heavy
Foot Traffic	[Progress bar]		
Rolling Loads	[Progress bar]		
Static Loads	[Progress bar]		

### Loose Lay Recommended Applications

Flow 5.0 mm 4419V 36 in x 36 in | 91 cm x 91 cm

#### Ideal for Moderate Commercial Environments

Education | Healthcare | Hospitality | Retail | Workplace

	Light	Moderate	Heavy
Foot Traffic	[Progress bar]		
Rolling Loads	[Progress bar]		
Static Loads	[Progress bar]		

At Shaw Contract, we believe all humans are equal. Individually and collectively, we proactively create and promote opportunities that give everybody an equal footing in life.

FOR FUNCTION + FLOW PALETTE DETAILS, VISIT SHAWCONTRACT.COM

At the heart of Shaw Contract, we create products and solutions that positively impact people and the planet. We are Design Optimists.

Sustainability is what unites us. It is our foundation and our purpose: our equal rights, our shared experience, our hopeful future. It is the air we breathe and the earth we stand upon.

For more information about these attributes, contact your local Shaw Contract account manager, visit us at [shawcontract.com](http://shawcontract.com) or call 1.800.257.7429.

### Material Health

We design and manufacture products to optimize human environments.

#### Responsible Design

Shaw Industries is committed to assessing our materials—to know as much about our product materiality, care and end-of-use, and to seek third-party certification.

#### Function + Flow LEEDv4 Contribution

IEQ—FloorScore® IAQ Certification. Low VOC emissions.

#### Ortho Phthalates-Free

Function + Flow is free of ortho phthalates.

### Carbon Impact

We are a positive force in the global effort to collectively fight climate change.

#### 60% Reduced Carbon Footprint

As a result of Shaw Industries' investments to help reduce our energy and greenhouse gas impact, we have cut our Scope 1 & 2 emissions by more than 60% since our 2010 baseline.

#### Measurable Product Impact

Function + Flow has a 3rd party certified EPD.

### Circular Economy

We practice a closed-loop approach to sustainability.

#### Investing in Circularity

Shaw Industries invests in research and development, industry partnerships, academic research and innovative initiatives to grow and reinforce systemic circularity.

### Diversity, Equity & Inclusion

We nurture an environment where every voice and perspective can be heard, with equal value placed on seen and unseen experiences.

#### Supplier Diversity Program

We promote supplier participation that is reflective of Shaw Industries' diverse customer base and local community. More than 60% of our spend\* is with small and diverse businesses. We believe having a strong Supplier Diversity Program is strategic for bringing more innovation to our businesses and opening new markets for growth.

\*Allowable spend is domestic (US) spend in categories in which we have diverse suppliers from which to choose.

---

This product is manufactured and sold for floorcovering use only. To meet warranty requirements, approved adhesives must be used for glue-down application as outlined in the Shaw Contract installation instructions. Installation and maintenance instructions can be found on [shawcontract.com](http://shawcontract.com). Specifications are subject to nominal manufacturing variances. Material supply and / or manufacturing processes may necessitate specification changes without notice. Not for use in commercial wet areas due to slip and fall concerns.
