New Path

ShawContract®

Opening the Door to a New Path

New Path finds happiness in fresh beginnings, leading us to a renewed understanding of the spaces where we work, learn, renew, and live. A new path with no fixed sense of direction that shifts organically, taking its cues from nature to bring a restorative sense of harmony to our days.

A collection that speaks to the triumph of connection, a reminder that there are always new paths ahead.

At the heart of Shaw Contract we create products and solutions that positively impact people and the planet. We are Design Optimists.

Sustainability is what unites us. It is our foundation and our purpose: our equal rights, our shared experience, our hopeful future. It is the air we breathe and the earth we stand upon.

For more information about these attributes, contact your local Shaw Contract account manager, visit us at shawcontract.com or call 1.800.257.7429.

Material Health

We design and manufacture products to optimize human environments.

Cradle to Cradle Certified® Silver

New Path styles are third-party verified as being safe, circular, and responsibly made.

Indoor Air Quality

People spend 90% of their time indoors, making these environments critical to our wellbeing. These products are Green Label Plus (GLP) Certified, meeting the California Department of Public Health (CDPH) indoor air quality standards for low-emitting products.

Product Transparency

New Path styles have an HPD, which is a transparent disclosure of product content and associated health information.

Declare. LBC Red List Approved

New Path styles are LBC Red List Approved. Proprietary ingredients are not disclosed on the Declare label, but all raw materials have been third-party confirmed as being compliant with the RED LIST of the Living Building Challenge.

Carbon Impact

We are a positive force in the global effort to collectively fight climate change.

50% Reduced Carbon Footprint

As a result of Shaw's investments to help reduce our energy and greenhouse gas impact, we have cut our Scope 1 & 2 emissions by more than half since our 2010 baseline.

Carbon Neutral

This collection of carpet tile is carbon neutral and is manufactured in a carbon neutral manufacturing location.

Low Embodied Carbon

New Path styles have a 3rd party verified EPD.

EcoSolution Q100™ Reduces Carbon

EcoSolution Q100™ is a high-performance nylon fiber with 100% recycled content, optimized for low embodied carbon. Every square yard reduces the carbon impact by 42%, versus traditional carpet tile.

Circular Economy

We practice a regenerative, closed-loop approach to sustainability.

re[TURN] We Want it Back

At the end of its useful life, we'll reclaim and recycle carpet to make more carpet products. Since 2006, Shaw has reclaimed and recycled nearly 1 billion pounds of post consumer carpet reducing landfill waste.

Diversity, Equity & Inclusion

We nurture an environment where every voice and perspective can be heard, with equal value placed on seen and unseen experiences.

Supplier Diversity Program

More than 42% of Shaw Industries' spend* is with small and diverse suppliers. We want to promote supplier participation that is reflective of Shaw's diverse customer base and local communities, bringing more innovation and opening new markets for growth.

*Based on spend categories where we have domestic (US) small or diverse suppliers who are capable of meeting our needs.

This product is manufactured and sold for floorcovering use only. To meet warranty requirements, approved adhesives must be used for glue-down application as outlined in the Shaw Contract installation instructions.
