

NOBLE MATERIALS

DESIGN IS EXQUISITE

shaw contract

ENTER THE ALCHEMIST

Sacred geometry. Meticulously plotted diagrams. Charted experimentation. The hierarchy of Noble Materials revealed. Gold, silver and copper inlays form opulent details in natural textures. Sleek stonework with gleaming touches of polished metal. Nature takes form, an unexpected pairing of movement and texture. A curated study of true alchemy, in tile and broadloom.

Design is exquisite.

ALCHEMY MEETS OPULENCE

Sacred geometry. Meticulously plotted diagrams. Charted experimentation. The hierarchy of Noble Materials revealed. Metallic inlays form opulent details in luxurious texture. Spun from velvet weave technology, exquisitely woven broadloom is constructed with revered precision with a luxurious feel. Sleek, shifting textures emulating stone with polished metal details for lavish appeal. Natural, layered dimension is pure plush.

Design is exquisite.
