serenbe™

with **HDC** Technology

serenbe™

with **HDC** Technology

Serenbe™ flooring is a natural beauty, inspired by a lifestyle that's close to nature, yet with a sense of refinement and urban sophistication.

Serenbe™ is ingenious LVT technology with the industry's best protection against scratches and scuffs and a High Density Core that's rigid, waterproof and amazing. Plus our attached foam underlayment is an effective sound barrier and comfort enhancer.

Serenbe™ is where LVT is growing. And it was created just for you.

serenbe™

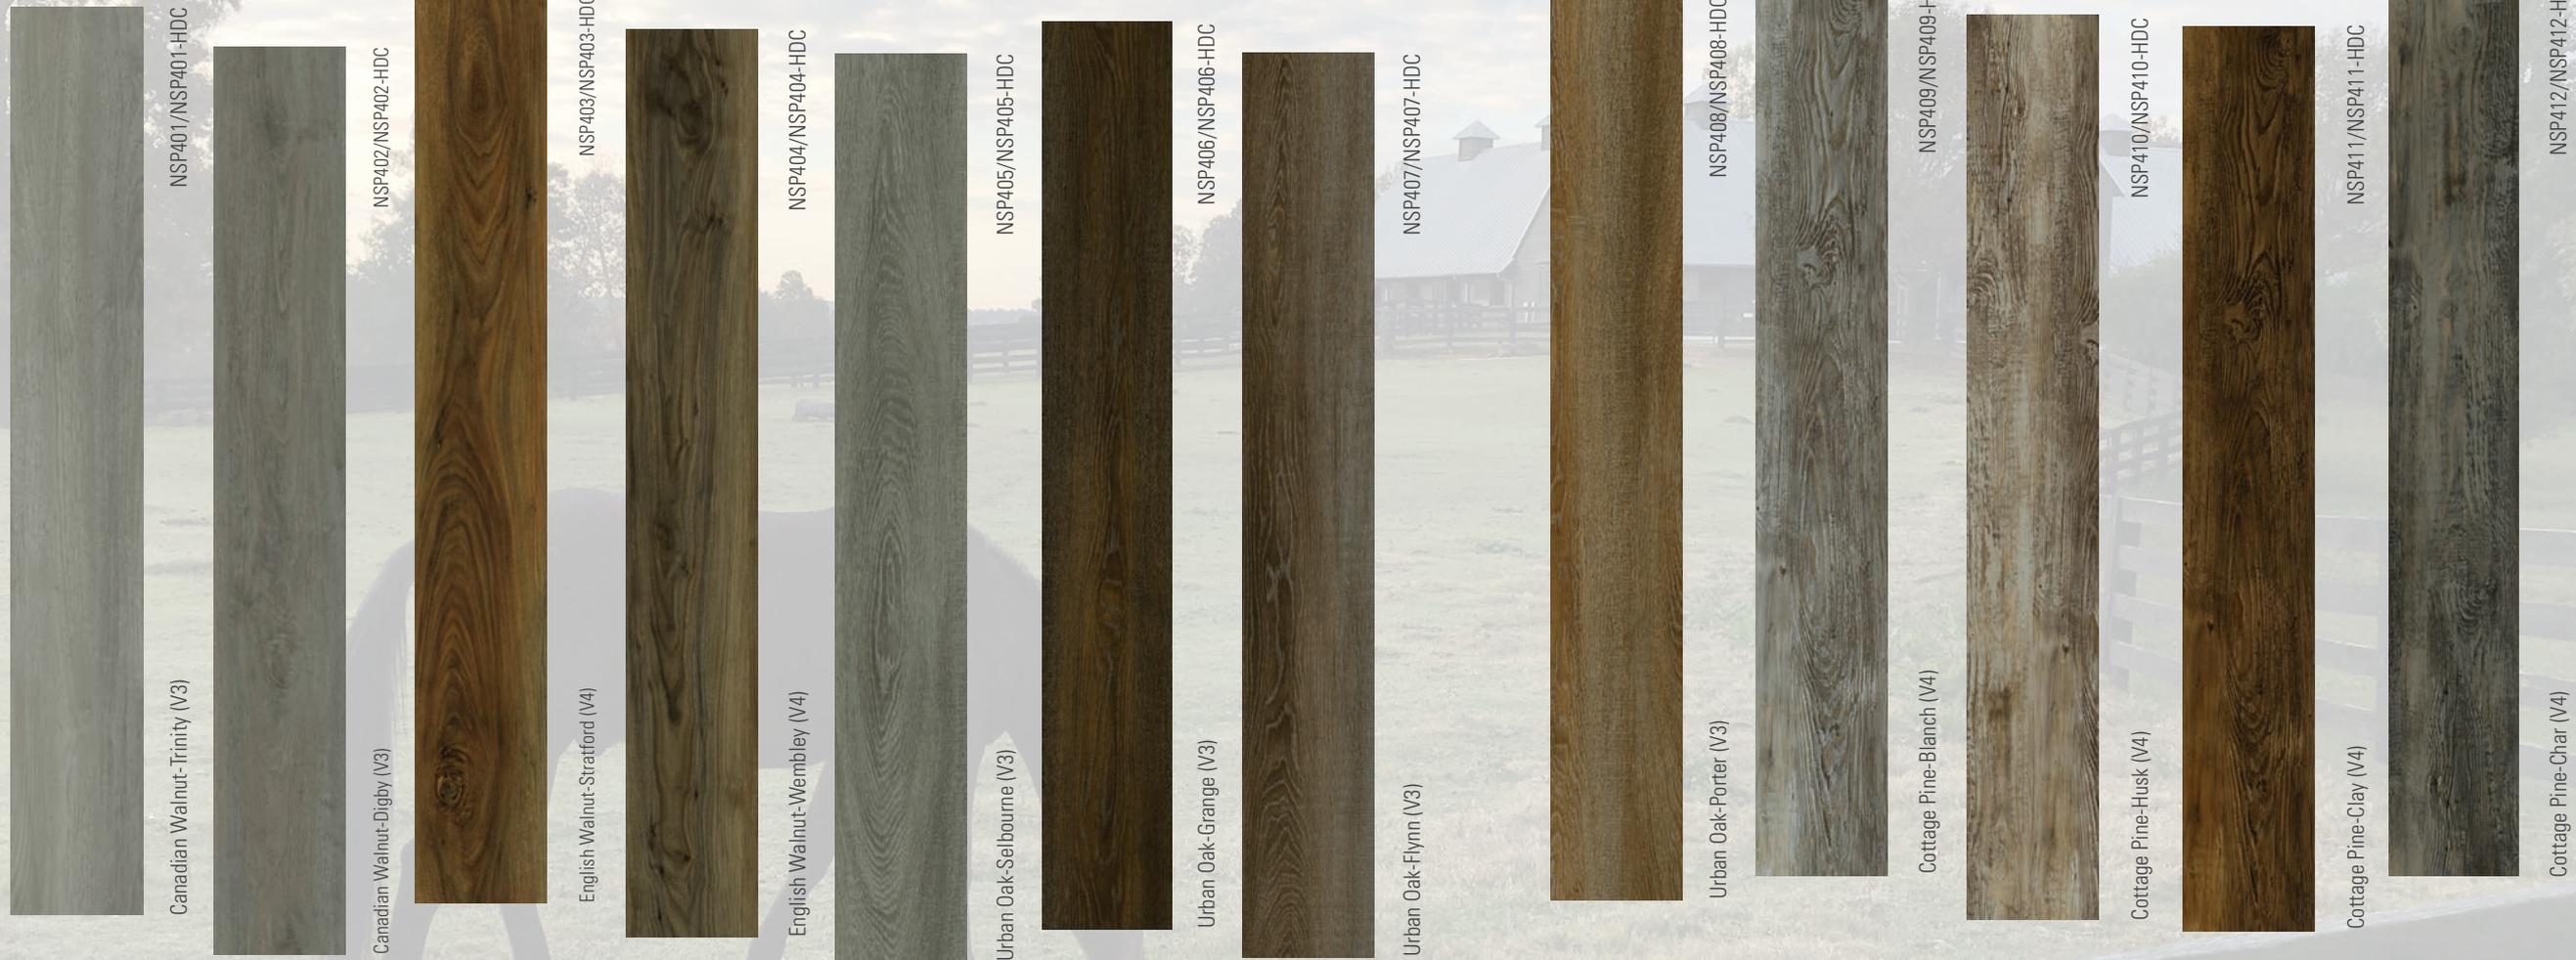

with **HDC** Technology

7" x 48" Planks

Available as groutable glue down or with NovaClic® Fd (Fold Down) locking system and **HDC** Technology (7" x 47.75")

Serenbe™ HDC is a rigid LVT that resists dents and hides most subfloor imperfections.
